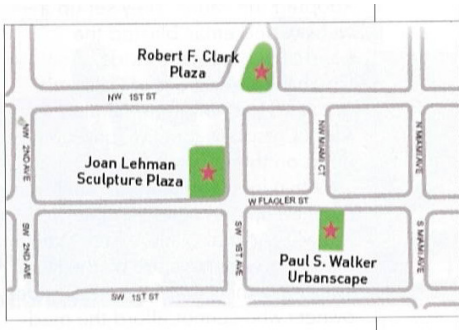
DOWNTOWN

WALK IN THE PARK

Three new "pocket parks" beckon workers and visitors in downtown Miami's Central Business District. The recent reopening of the Paul S. Walker Urbanscape at 46 W. Flagler St. added to the Downtown Development Authority's beautification program that already included Joan Lehman Sculpture Plaza at Flagler St. at SW 1st Avenue, and Robert F. Clark Plaza at NW 1st Avenue and NW 1st Street



The DDA invested more than $350,000 to restore the three parks, introducing approximately 23,000 square feet of green space in downtown Miami. District Commissioner Marc Sarnoff also contributed funds from a Homeland Defense Neighborhood Improvement Bond issued to his office.
