

THIS WEEK'S WINNER

[Dance the day away](#)

Emerson Calderon with the Miami Downtown Development Authority took this photo of two people dancing during the April 30 dedication ceremony for the city's Paul S. Walker Urbanscape greenspace project. The area had been a park 30 years ago when the city leased it out to allow a building to be constructed there. The building later became dilapidated, leading the city to replace it with a new park....
